</tr>
<tr>
<td>Over 300</td>
<td>$1,690</td>
</tr>
</tbody>
</table>

(b) The fee for a new establishment filing its license application between July 1 and December 31 of any year or operating less than six (6) consecutive months during any one calendar year is one-half of the license fee specified in Section 9(a).

(c) A vending machine operations owner shall maintain a commissary or base establishment licensed by the Health Officer. At this commissary or operations
base, the owner shall maintain a record of all of his vending machines and the location of all commissaries and other establishments from which machines are serviced. A separate annual operating license and fee is required for each base of operations.

(d) An owner shall notify the Health Officer within five (5) days of:

(1) Use of new types of vending machines or

(2) Conversion of existing machines to dispense different food products, if the machines or foods are different than those for which the existing license was issued.

Sec. 8-308. Reduced Fees for Specified Establishments

(a) This Chapter, including its licensing provisions, applies to retail food establishments which serve or provide food or beverage to the indigent and needy at no charge or fee to the recipient and so long as the establishment is operated by an organization, corporation or association exempt from federal taxation under 26 USC 501(c). The fee for the license shall be $20. However, this section's reduced fee provision shall not apply to educational institutions. No license requirement or fee will be imposed if the retail food establishment is exempted by IC § 16-42-5-4.

(b) This Chapter, including its licensing provisions, applies to retail food establishments operated by schools licensed by the State of Indiana providing merely beverage service or provision of prepackaged food products obtained at a commissary licensed by the Health Officer. The fee for the license shall be $80. No fee will be imposed if the retail food establishment is exempted by IC § 16-42-5-4.

[Gen.Ord. 4-2006 Passed 6/20/06 Effective Date 7/1/06]

Sec. 8-309. Farmers’ Markets

(a) A market master must register a farmers’ market with the Corporation thirty (30) days before the first date of operation.

(b) A market master must notify the Corporation about changes in food establishment status by the last business day prior to the first date of operation of the food establishment.

(c) The Corporation requires a separate license for each food establishment operating within the farmers’ market.

(d) A person may not operate a food establishment within the farmers’ market without a license.
(e) Each food establishment operating in a farmers’ market must:

(1) submit an Application For License to the Corporation,

(2) pay fines and fees owed to the Corporation, and

(3) comply with IC § 16-42 and 410 IAC 7.

(f) Each food establishment operating in the farmers’ market must obtain the license by 3:00 p.m. of the last business day prior to the first date of food establishment operation.

(g) Each food establishment must have the license on-site at the farmers’ market.

(h) The Corporation imposes an additional fee of twenty-five percent (25%) of the license fee when a food establishment operates without first obtaining a license.

(i) The Corporation establishes the following yearly operating fees for food establishments operating in a farmers’ market:

(1) The license fee for a food establishment providing samples of food is $20.

(2) The license fee for all other food establishments is $187.50.

[Gen.Ord. 1-2011 Passed 4/19/11 Effective Date 5/1/11]

Section 8-310. Shared Kitchens and Shared Kitchen Users

(a) Shared kitchen means a food establishment used as a place of business for the primary purpose of using, leasing, or renting its kitchen space to individuals or entities for food preparation, food storage, or other food-related purposes.

(b) The Corporation requires a shared kitchen food establishment license if the person seeking to engage in the primary business of a shared kitchen does not hold a valid retail food establishment license under this chapter for the premises identified in the shared license application. The annual license fee is established in Sec. 8-301.

(c) Shared kitchen user means a person or entity who uses, leases, or rents kitchen space at any shared kitchen licensed or required to be licensed under this chapter.
(d) The Corporation requires a shared kitchen user to obtain a food establishment license. The annual operating license fee is $120. The fee for a new establishment filing its license application between July 1 and December 31 of any year or operating less than six consecutive months during any one calendar year is one-half of the annual license fee. The Corporation will not provide a refund for any unexpired period of a food establishment license.
